

Outpatient office surgery scheduling

Your child has been evaluated by our Pediatric Surgery team and per our discussion, surgery is recommended for your child. Below you will find some information regarding the process of getting your child scheduled for surgery.

- Benefits and coverage for the procedure will be reverified by our office.
- Based on your insurance plan, pre-payment may be necessary prior to scheduling a date for surgery.
 - This generally requires a discussion with your insurance provider to make sure all costs are covered.
- In some cases, pre authorization may be required from your insurance plan.
- Medicaid cards must be presented at the surgery center at the time of surgery.

Please allow 7-10 business days to receive a call or email from our office to schedule surgery.

If you have have not received a phone call or email within 10 business days, please call our office.
